FACT About Animals

Animals visiting dump yards at your places because they are not getting food from the people in the community. Stop it by taking care of animals in your community.

Project ANINV

Working on the final design of the SHARP LOCK product and also trying for the foundation that can fund us to release the first product in the market. And also on the team formation.

Project AWBP Trust

It is official now, we got the 12 A certificate from the respected government officials. Now we will apply for the 80 G certificate. And after that, we will apply for the CSR programs.

MONTHLY Donors

Currently, 30 Monthly Donors supporting the fundraising campaign. Thank you so much for your trust and continuous support in my social journey.

ANIMAL care

- Found permanent home for a physically challenged street dog.
- Temporarily found a home for 4 street dogs.
- Installed 5 water bowls near a community and a dump yard.
- Feeding 20 animals/day and educating people.

FUNDS Distribution

Currently, monthly donations are distributed to the below components :

- Animal Feeding & Welfare (50% funds)
- Project Maintenance (20% funds)
- Towards my livelihood (30% funds)

MY Livelihood

Shifted to a new house that is close to the previous home along with my 5 pet dogs. I am able to continue feeding existing animals along with other new animals in the community.

No creature is slave to anyone! let live and allow other to live the way they want. Today we destroyed the habitats of animals. And it is our responsibility to take care of them round the clock in the community.
