Project ANINV

Completed our first product, 'SHARPLOCK' documentation, both manual and automation. We have sent the final document to the patent company for review. Started working on the next idea that address the challenge of the animals.

Educational Song

I have written and composed my second educational song on animal welfare. And it is going to release in April'22 through AWBP Trust. Currently video editing work is in progress.

Project AWBP Trust

Collaborated with a music company to make our next educational song more soothing and connect to a larger audience. Target to release in all music channels.

MONTHLY Donors

Currently, 34 monthly donors support the fundraising campaign. Keep supporting and recommend across your contacts. Every donor matters a lot for my campaign.

ANIMAL care

We have saved three puppies lives that are infected with canine parvovirus, vaccinated 10 dogs including puppies — feeding more than 20 animals per day and educating people around to do their bit towards homeless animals.

FUNDS Distribution

Currently, monthly donations are distributed to the below components :

- Animal Feeding & Welfare (50% funds)
- Project Maintenance (20% funds)
- Towards livelihood (30% funds)

OTHER Projects

Next project to start soon is ANIMAL FRIEND. Still waiting for required capital to execute it.

AHIMSA - (in the Hindu, Buddhist, and Jainist tradition) respect for all living things and avoidance of violence towards others.
